PROFESSIONAL BABYSITTER PROFILE

AGE: 29

EDUCATION

ABOUT ME:

Reliable, security -trained caregiver with a genuine passion for child development. I have a background in the security sector, which gave me strong skills in safety, responsibility and staying calm under pressure. When I couldn't find work in my field, I discovered child minding and it quickly became more than a job I truly enjoy creating a safe, fun and nurturing environment where children can learn and thrive. Parents described me as patient, trustworthy and attentive to details. I focused on building positive routine, age-appropriate activities and clear communication with families.
