ABOUT ME:

Caring, responsible caregiver who recently relocated from Cape Town to Gauteng to expand my childcare experience and grow professionally. I have a solid background in childcare and I am passionate about creating safe, nurturing, and fun environment for children.

I recently assisted my brother with caring for his newborn son, so I am confident and hand-on with infant care – feeding, burping, nappy changes, sleep routine and soothing. Families described me as a patient, attentive, and quick to learn each family's unique routines. I am motivated, reliable and excited to build long term relationships with families in Gauteng.
