TECHNICAL SKILLS:

ACHIEVEMENTS

ABOUT ME:

Energetic, warm, education-focused caregiver with a background in customer service and early childhood development. I have worked as a waitress and in call Centre – both roles taught me patience, clear communication and how to stay calm in busy environment.

I am currently studying ECD certificate and occasionally teach at a preschool, so I am up-to date on age- appropriate activities, leaning through play and child development milestones. I genuinely love helping kids feel safe, confident and excited to learn. Parents and teachers describe me as reliable, engaging and great at turning every day moments into learning opportunity.

QUALIFICATION AND SKILL

- **Early Childhood Development:**

Studying towards ECD certificate + hand on experience teaching at preschool.

- **Childcare Experience:**

3 months and older, educational games, arts and crafts, reading outdoor play.

- **Strength,**

patient, communicator, creative lesson planning, routine + homework support, meal prep, and positive guidance

Philosophy

I believe kids learn best when they feel safe and have fun. My approach blends structure with creativity that builds curiosity and confidence. I see myself as a partner to families, not just a sitter.
